Make the Connection: Wash and Dry

- 1) Connect the dots from 1 to 10. You will see what you use to wash your hands.
Remember to sing "Happy Birthday" two times to make sure you wash long enough.
- 2) Connect the dots from A to E. Use this to dry your hands.
- 3) Connect the dots from 11 to 20. Throw paper towels into this after you dry your hands.
